COMPANY PROFILE

Founded with a vision to deliver world-class spice and seasoning solutions, 365 Spicery has grown into a trusted manufacturer and exporter of premium spices, seasonings, herbs, blends, and food ingredients. Committed to quality, innovation, and consistency, we serve the snack food, FMCG, HoReCa, and food processing industries with customized products that enhance taste, aroma, and performance.

Driven by our philosophy, 'We Add Wow,' 365 Spicery combines traditional spice expertise with modern food technology to deliver safe, authentic, and innovative solutions for customers across India and global markets

PLANT & MACHINERY

365 Spicery's avant-garde production complex, set on a 57,000 square meter expanse, is strategically located to harness India's finest agricultural yields. This privileged proximity to top-tier raw materials is pivotal to our pledge of superior quality. Our facility is outfitted with best-in-class machinery sourced from globally acclaimed manufacturers, guaranteeing outstanding product quality, hygienic processing that conforms to international standards.

The integration of state-of-the-art color sorters equipped with infrared technology facilitates the precise elimination of impurities, including microscopic matter those are undetectable by the naked eyes. Enhancing this robust quality control is a 60 meter x-ray belt from Ishida, Japan, which identifies and extricates contaminants with unparalleled precision.

We operate sophisticated physical and microbiological laboratories for comprehensive quality assurance and proudly hold certifications from FSSAI and ISO-HACCP 22000, affirming our dedication to food safety excellence.

CHIPS

SEASONING

365 Spicery Chips Seasoning offers a symphony of savory, perfectly balanced flavors that add gourmet finesse to every crispy bite.

Expertly crafted for optimal adhesion, it guarantees an even coating and consistently delicious taste. Created to elevate your munching moment, this seasoning brings mouth-watering flavor and a refined touch to each chip, making bites irresistibly flavorful.

SPICES

CUSTOMISED SEASONING

ZERO CHEMICAL SEASONING

NO ONION, NO GARLIC SEASONING

365 Spicery Whole & Ground Spices presents an exquisite selection of premium spices, meticulously chosen for their intense flavor and captivating aroma. Whether you favor whole spices for artisanal grinding or finely ground blends ready for immediate use, our collection enriches the dish. Sourced from the finest estates and processed under rigorous quality standards, these spices guarantee unparalleled freshness and consistency.

A top-down view of various spices arranged on a light brown background. In the top left, there are lemon slices and a small bowl of mixed peppercorns (black, white, and red). Below that is a wooden bowl filled with white sesame seeds. A wooden spoon filled with yellow mustard seeds is positioned diagonally across the center. To the right of the spoon is a list of spices. Below the list, the word 'SPICES' is written in large, bold, dark brown letters, with 'WHOLE & GROUND SPICES' in smaller letters underneath. To the right of the text are three small white bowls containing red chili powder, yellow turmeric powder, and red chili powder. There are also several whole red chilies, star anise, and a piece of ginger at the bottom right.

365 Spicery impart the genuine essence of time-honored flavors, elevating your creations to a distinguished level of refinement and authenticity. From the robust depth of cumin and the piquant allure of black pepper to the golden brilliance of turmeric and the intricate harmony of garam masala, 365 Spicery Whole & Ground Spices cater to the most discerning palates.

- **Garlic Powder & Whole**
- **Onion Powder**
- **Lemon Powder**
